

"Denae Gardner is a throwback to the days of great traditional Country, with a slight mix of Blues and Rock."
Kelly Green - WEIO Huntingdon, TN

"Denae was a very articulate and charming young lady and gave a sizzling live performance for us."
- Pat Geary - THE VOICE OF COUNTRY- Nashville, TN

"Denae's visit was Great! She has a powerful voice to be so young and in such a small package. She's at home on the mic and her rich, country sound should easily find her and her music a place on the radio! - Keith Michaels - KHLs and NASHVILLE'S NEW COUNTRY Blytheville, Arkansas

"Denae was Great!
Polly Wog - WOGY - Jackson, TN

"We have had many people in here, very good performers and singers, but honestly, I was moved more by her talent than the whole kit and kaboodle."
Lisa Phillips - KESM - El Dorado Springs, MO

"Incredibly talented young lady ... it's great to see someone this passionate and "real" about her music."
- Mike Thomas - KFAV Warrenton, MO (St. Louis)

"Denae was a wonderful guest, and we really enjoyed having her. She was extremely friendly and just a delight to have in our studio."
- Lane Blicken - WMCI - Mattoon, IL

"Denae Gardner has a great traditional sound that stands out from the rest."
A.J. Martin - WYVY Union City, TN

"As I told her On-Air, she sounds more mature than her age, and that's refreshing for a new twist on 'new country' that doesn't sound like it all came out of the same studio". - Ken Dillon KDKD - Clinton, MO
